1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a Duke Power customer.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am on a fixed income and can not afford a increase of this magnitude. I do not want to choose between power, food, medication, or water. If I could cast a vote it would NO rate increase especially after Duke's $400 Million profit for the second quarter.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
